MP3: Derek Piotr - Bhadrakali

Derek Piotr announced on Dec. 6 that he will be releasing his fourth solo album, [Tempatempat](#), in 2014.

The artist followed this announcement with a track release, two days later, in preview of the upcoming album. "Bhadrakali" has some very un-European sounds, and features lyrics in Bahasa Indonesian. Indonesian culture and language seem to be a central theme of *Tempatempat*.

"Tempatempat is an Indonesian word, chosen for its repetition and meaning." [Piotr](#) explained on his site, when he announced the album. "[T]he meaning changes depending on how the word is broken: Tempa Tempat means 'forging place.' Tempat Empat means 'fourth place.'"
